

The argument against Proposition 64 is a trial lawyer smokescreen:

Read the official title and the law yourself.

- Nowhere is Environment, Public Health or Privacy mentioned!
- California has dozens of strong laws to protect the environment, public health and privacy, including Proposition 65, passed by voters in 1986, the California Environmental Quality Act and the California Financial Information Privacy Act.
- Proposition 64 doesn't change any of these laws.
- Proposition 64 would permit ALL the suits cited by its opponents.

"...the trial attorneys who benefit from the current system are going bonkers, and misrepresenting what (Prop 64) will do. They claim that (Prop 64)...will somehow undermine the state's environmental laws. That's patently untrue."

Here's what 64 really does:

- Stops **Abusive Shakedown Lawsuits**
- Stops fee-seeking trial lawyers from exploiting a loophole in California law – **A LOOPHOLE NO OTHER STATE HAS** – that let's them "appoint" themselves Attorney General and file lawsuits on behalf of the People of the State of California.
- Stops trial lawyers from pocketing **FEE AND SETTLEMENT MONEY** that belongs to the public.
- Protects your right to file suit if you've been harmed.
- Permits only real public officials like the Attorney General or District Attorneys to file lawsuits on behalf of the People of the State of California.
